

	SATURDAY JUNE 6	SUNDAY JUNE 7	MONDAY JUNE 8	TUESDAY JUNE 9	WEDNESDAY JUNE 10	THURSDAY JUNE 11	FRIDAY JUNE 12															
8:00	Clinical Engineering Certification (CEC) Exams  Canadian College of Physicists in Medicine (CCPM) Exams	Use of AAPM Task Group 100 Recommended Risk Assessment Approach to Develop a Risk Based Quality Management Program in Radiation Therapy	RT Research System Development on Open-Source SlicerRT Platform  AutoSeg 2015	Scientific Sessions (including President's Call)	Continuing Education Sessions (English, French, Spanish)	Continuing Education Sessions (English, French, Spanish)	Scientific Sessions including President's Call	IFMBE Awardees Presentations	Theme Plenary Keynote Session - Gordon McBean & Mary Gospodarowicz	Scientific Sessions including President's Call	Continuing Education Sessions (English)	IFMBE Student Design Competition Presentations	Scientific Sessions including President's Call	Continuing Education Sessions (English)	8:00							
8:30				8:30																		
9:00				9:00																		
9:30				9:30																		
10:00				10:00	Networking Break	Networking Break	Networking Break	Networking Break		Networking Break	Networking Break	10:00										
10:30				10:30	Opening Ceremony & President's Welcome Address	The Future of Clinical Engineering Research in Asia	Innovative Biomedical Engineering Research in Asia	Continuing Education Sessions (English, French, Spanish)		Scientific Sessions Including President's Call	IOMP General Assembly	ICSU BioUnions Cluster Session	World Summit on the Supportability of medical devices	Continuing Education Sessions (English, French, Spanish)	Scientific Sessions including President's Call	IAMBE General Assembly	Scientific Sessions including President's Call	Continuing Education Sessions (English)	Addressing Global Challenges	Scientific Sessions including President's Call	Continuing Education Sessions (English)	10:30
11:00				11:00																		
11:30				11:30																		
12:00				12:00	Industry Symposium supported by RaySearch	Industry Symposium supported by Elekta				HTA Round Table	Industry Symposium supported by CareFusion			Industry Symposium supported by Accuray	Challenges & Benefits of Clinical Engineering Peer Review	Spreading & Integrating Human Factors Expertise in Healthcare	Social Implications of Technology Workshop	Medical Physicists Without Borders	Embedded Sensor Systems for Health Workshop	& Awards for: • Young Investigators • IFMBE Design Competition • WHO - IFMBE Innovation	12:00	
12:45				12:45																		
13:30				13:30	Theme Plenary Keynote Session - Monique Frize & Londa Schiebinger	Theme Plenary Keynote Session - Jeff Immelt (joined by a discussion panel of Deputy Minister Dr Bob Bell & Dr Mary Gospodarowicz)				HTA for Bio-medical Engineers Workshop	Medical Physics & Biomedical Engineering Response to Cancer Control: A Global Health Challenge	Continuing Education Sessions (English, French, Spanish)	Scientific Sessions including President's Call	IFMBE General Assembly			Theme Plenary Keynote Session - Edward Shortliffe & Vimla Patel			13:30		
14:00				14:00																		
14:30				14:30																		
15:00				15:00	Joint Young Investigator Symposium (IOMP & IFMBE)	Scientific Sessions including President's Call	Continuing Education Sessions (English, French)	IOMP Awardees Presentations		Scientific Sessions including President's Call	Continuing Education Sessions (English, French, Spanish)	Medical Physics & Biomedical Engineering Response to Cancer Control: A Global Health Challenge	Continuing Education Sessions (English, French, Spanish)	Scientific Sessions including President's Call	Scientific Sessions including President's Call	Continuing Education Sessions (English)	WC2015 Leaders' Summit	IUPESM-HTTG Workshop on Innovations in the Use of Mobile Devices in Healthcare	15:00			
15:30	15:30																					
16:00	16:00																					
16:30	16:30	Networking Break	Presentation of WC 2021 Bids	Networking Break			Networking Break			Networking Break			16:30									
17:00	17:00																					
17:30	17:30	Scientific Sessions including President's Call	Continuing Education Sessions (English, French, Spanish)	IUPESM Awardees Presentations	Scientific Sessions including President's Call	Continuing Education Sessions (English, French, Spanish)	Continuing Education Sessions (English, French, Spanish)	Scientific Sessions including President's Call	IUPESM General Assembly	Scientific Sessions including President's Call	Continuing Education Sessions (English)	MedTech Institutes Reception (by invitation only)	QC in Radiotherapy: Defining the Next Steps	CCPM AGM	17:30							
18:00	18:00	Welcome Reception		18:00																		
18:30	18:30																					
19:00	19:00	IFMBE & IOMP Presidential Reception (by invitation only)			Gala Dinner			CMBES AGM			COMP AGM			19:00								
19:30	19:30																					
20:00	20:00																					
20:30	20:30																					
21:00	21:00																					
21:30	21:30																					
22:00	22:00																					
22:30	22:30																					
		EXHIBIT & POSTER HALL HOURS 18:00-20:00	EXHIBIT & POSTER HALL HOURS 09:30-17:00	EXHIBIT & POSTER HALL HOURS 09:30-17:00	EXHIBIT & POSTER HALL HOURS 09:30-17:00	EXHIBIT & POSTER HALL HOURS 09:30-17:00
